

Review of ACM 402 module

Dr Eric Chan, Dr Lee Ngan Hoe, Dr Dawn Ng & Dr Cheng Lu Pien

Date: 19 Sep 2012

Time: 10.30am – 11.30am

Venue: MME Journal Room

Abstract

A few MME colleagues undertook a review of the current ACM402 module with the aim of streamlining the related ACM modules. This session will share a proposed module outline for ACM402 that seeks to extend and broaden the student teachers' learning experiences acquired from the other ACM modules.

All are Welcome!
