

MME Seminar #5

Dr. Cynthia Seto

Date: 25th Nov, 2015
Time: 10.30 to 11.30 am
Venue: Journal Room (NIE7-03-16)

Abstract

Talk: Work Attachment with MME/NIE

Cynthia will share her thoughts and learning on professional development of mathematics teachers based on some insights gleaned from her work attachment to MME/NIE during the August 2015 Semester. In particular, she will share her observations and reflections of pre-service education and in-service education of mathematics teachers at NIE derived from the classes and courses that she managed to sit in. She will also talk about her experience in co-teaching the PDGE Primary Math Module.

All are Welcome!
