

MME Seminar #7

Prof Berinderjeet Kaur

Date: 7th Mar, 2016
Time: 3.30 to 4.30 pm
Venue: Journal Room (NIE7-03-16)

Abstract

Prof Kaur will share with participants her experience of attending the two mathematics education conferences and a national seminar in the second half of the year 2015. For the conference in Borneo, which was the First Borneo International Conference on Science and Mathematics Education, she delivered a keynote paper on how the TIMSS and PISA data may impact mathematics education in participating countries, using Singapore as a case study. In Korea, during the Korean Society of Mathematics Education annual conference she was a plenary panellist who shared with participants the process of mathematics curriculum review and revision in Singapore. Prof Kaur also delivered the opening keynote lecture during the National Seminar on Higher Order Thinking in Kuala Lumpur, Malaysia.

All are Welcome!
