

MME Seminar 2017

Session 9

Date: Wed 8th Mar 2017
Time: 3.30 to 4.30 pm
Venue: MME Journal Rm (NIE7-3-16)

My EPDL Journey @ MME/NIE

by Mdm Chai Huel Leng

Huel Leng spent 6 weeks in MME/NIE during her Enhanced Professional Development Leave (EPDL) to undertake purposeful professional development to improve her professional knowledge and understanding in the teaching and learning of Primary Mathematics.

During the sharing, Huel Leng will talk about how this sabbatical opportunity allows her to learn more about the pre-service education and in-service education. Based on her observation and insights gleaned from her attachment to MME/NIE, she will also share her reflections on the Mathematics teachers education derived from the classes and courses that she has managed to sit in.

All are welcome!
