

NATURE & MUSUEM TOUR WITH RIVER CRUISE

Tour code: SG-3 | Departure Date: 20 Jul 2017 | Tour Start: 1400hours | Tour Duration: 4 – 5 hours

Pockets of amazing natural wonders can be found throughout Singapore, providing a welcome respite from the bustle of the city. Singapore's arts scene is a colorful brew of local works made more diverse with internationally renowned players performing throughout the year.

National Museum of Singapore

Singapore's oldest museum is a progressive showcase of the country's history and culture. With its history dating back to 1887, the National Museum is the nation's oldest and one of the city's architectural icons. Its permanent offerings, the Singapore History and Living Galleries, piece together the past and present in a compelling narrative.

Fort Canning Park

Whether you're a history buff, music fan or nature lover, this historic landmark on a hill is full of surprise. The park was originally known as Bukit Larangan, or 'Forbidden Hill' in Malay. Today, the 18 hectare space is chock full of attractions – from ancient artefacts for history buffs to outdoor lawns for concert and of course, greenery for nature lovers.

Merlion Park – meet the myth

Half-fish and half-lion, the iconic Merlion resides at the waterfront Merlion Park. The body symbolizes Singapore's humble beginnings as a fishing village when it was called Temasek, meaning 'sea town' in Old Javanese. Its head represents Singapore's original name, Singapura or 'lion city' in Malay.

Fullerton Hotel

The magnificent Fullerton Building is a grand Neo-classical landmark built in 1928. Gazetted in Dec 2015 as a National Monument, it was once home to Singapore's General Post Office, the Exchange Room and Exchange Reference Library and the prestigious Singapore Club. For nearly a century, it has played a pivotal role in Singapore's rich history. Today, it has been transformed into a stunning 400-room heritage hotel.
